

## Continuing and Professional Education

# Lifelong LEARNING

from a Major Research University located in the nation's capital

Our Continuing and Professional Education team is dedicated to crafting the diverse learners' professional journey so that they can thrive in the workforce of the future. We prepare individuals like you for in-demand careers and help you master the skills that employers need most.

## A HUB FOR ALL TYPES OF LEARNERS

Our goal at CPE is to help you design your future. No matter where you are in your career, we are here to help you advance.

### Change Your Career

We offer courses and industry-backed micro-credentials to help you move into another industry with credentials you need to retool and succeed.

### Upgrade Your Skills

For professionals who want to advance in their current position or industry, our courses and professional certificates offer you the ability to upskill and stay ahead of industry trends.

### Start your career

Our portfolio is a transformational starting point for those entering the job market as well as for those who are unemployed or have no degree.

### Keep Learning

Lifelong learners seek new opportunities to continually improve quality of life. Our programs offer many areas to help you stay fulfilled.

## GET STARTED TODAY

Mason CPE offers a wide range of industry-recognized multidisciplinary courses and micro-credentials designed to help you get an edge on in-demand positions.
